PAINT SELECTION MADE EASY WITH JOTASHIELD

So you've decided to paint the exterior of your home. Done well, it will not only provide years of satisfaction, but also add value, protection and beauty to your most valuable asset. Here are a few suggestions to help jump-start your creativity.

Begin by browsing this colour card or our website for the most current and beautiful colour combinations.

Once inspired, also consider other factors like the size of your home and its environment. As a general rule, light colours make your home appear larger while darker ones help it blend in with its surroundings.

Finally, be bold and experiment. Your home should reflect you. So use the tools and inspiration we've provided to choose the colour combination of your dreams.

After all, with Jotashield Exterior Paints, every choice is the choice of icons.

THE BEST EXTERIOR PAINT WITH THE LONGEST LASTING COLOURS

NEW

MAXIMUM UV PROTECTED COLOURS

Jotashield Colour Extreme is proven to have the highest level of colour lasting performance. It uses advanced Jotun pigment technology to ensure colours resist UV rays so your home will remain looking beautiful, longer.

SUPERIOR DIRT RESISTANCE

Jotashield Colour Extreme keeps your home looking clean and beautiful for the longest time with its proven advanced binder technology. It resists dirt sticking to your walls and makes it easy for dirt to be washed away by the rain.

EXTREME ALGAE & FUNGUS PROTECTION

Jotashield Colour Extreme prevents algae and fungus unlike any other exterior paint before. It uses the optimal level of the latest biocide technology to ensure your home will remain protected from algae and fungus.

12 YEARS COLOUR PERFORMANCE

Jotashield Colour Extreme is fully tested and proven by external laboratories to protect and retain its colours on your walls, keeping your home's exterior looking beautiful for at least 12 years.
